After we receive your application, we will do an eligibility review and contact you within 30 days.

If we need more information:

We will send you a letter requesting the extra information that we need. Please send us this information right away so we can process your application.

If your child is eligible for CHIP:

- After we check your income and other information, we will notify you of your child's enrollment date.
- If your child is eligible for *low-cost* CHIP you will receive a bill that must be paid before CHIP coverage can begin.
- You will receive your child's identification card approximately 10 days from the date you become eligible.
- You can begin using your child's CHIP coverage on the "effective date" stated in the enrollment letter.

If your child is not eligible for CHIP:

- We will notify you in writing to let you know why your child is not eligible.
- If your child appears to be eligible for Medical Assistance, we will send your application to the County Assistance Office.

Renewal

If your child is enrolled in CHIP:

- Once a year, on the anniversary of your child's enrollment, eligibility will be reviewed. This process is called renewal. Each year, before your family's renewal date, letters will be sent requesting verification of income and other family information. If you do not provide the information needed, your child's CHIP coverage will end.
